

# The Brain Buffet

---

*Where Brains Are Always on the Menu!*

## ***Appetizer***

*Temporal Tapas – 8.99*

Mini brain bites from the temporal lobe, lightly seasoned with herbs to stimulate memory recall and prepare you for the feast ahead.

*Occipital Crostini – 7.49*

Thinly sliced occipital lobe on crispy crostini, topped with roasted garlic and a drizzle of vision-enhancing olive oil.

## ***Main Course***

*Cerebral Sushi Rolls – 18.99*

Frontal lobe rolls with a wasabi glaze, paired with pickled brain stem strips and spicy soy for a bold decision-making boost.

*Parietal Pasta Bowl – 16.49*

Hand-crafted linguine tossed in a creamy parietal sauce, designed to stimulate your sense of touch and spatial awareness.

*Medulla Meatballs – 19.99*

*Tender medulla oblongata meatballs, served in a tangy plasma sauce, offering the ultimate kick of survival instinct.*

## ***Dessert***

### *Hypothalamus Mousse – 9.99*

Decadent chocolate mousse whipped with hypothalamus essence, offering a rich and creamy dessert to regulate your undead appetite.

### *Neural Nectar Parfait – 8.49*

Layers of berry compote, whipped cream, and crushed neural bits for a refreshing and satisfying end to your meal.
